Vihara Tech
Hyderabad

Dear SREERAKSHA,

On behalf of Vihara Tech, I am pleased to extend an employment offer for Data Science Intern position. We were thoroughly impressed with your qualifications and domain knowledge, and we believe that your skills align perfectly with our organization's objectives and values.

Job Role: Data Science Intern

Start Date: 12-07-2023

Benefits: As per company policies

Data Science Intern at Vihara Tech. your primary responsibilities will include:

- Collecting, analyzing, and interpreting large datasets to identify patterns and trends.
- Developing and implementing AI models for multiple use cases.
- Collaborating with cross-functional teams to identify and solve complex business problems.
- Work with DevOps teams to design and implement CI/CD pipelines for machine learning models and data pipelines, using tools like Git, Jenkins, and Kubernetes.

You will report directly to the Manager and work closely with a team of skilled professionals to drive data-driven decision-making within our organization. We offer a dynamic, inclusive work environment that encourages innovation and professional growth.

We are excited about the prospect of having you join our team as a Data Science Intern, and we believe that your skills and expertise will make a significant contribution to our success. If you have any questions or need further clarification, please feel free to contact me at viharatech11@gmail.com

Once again, congratulations on your offer of employment, and we look forward to welcoming you to Vihara Tech.

To accept this offer, please sign and return a copy of this letter by 11-07-2023.
